Note: The "reporting period" refers to the three-month period from the beginning of this quarter to the end of this quarter, the same below.

Reasons for retroactive adjustment or restatement

In 2025, the China Securities Regulatory Commission issued the *Guidelines for the Application of Regulatory Rules—Accounting No. 5* (hereinafter referred to as "Accounting No. 5"), providing further handling opinions on the regulations regarding the initial recognition exemption of deferred tax in the Accounting Standards for Business Enterprises No. 18—Income Tax issued by the Ministry of Finance. Accounting No. 5 clarifies that when a company issues convertible bonds, if the taxable temporary difference does not meet the conditions for exemption from deferred tax liabilities, the deferred tax liabilities shall be recognized for the taxable temporary difference and its effect shall be included in owner's equity. The Group and the Company have adopted the above provisions to prepare the financial statements for the third quarter 2025, and the comparative financial statements of the previous period have been restated accordingly.

☐ Applicable √ Not applicable**(III) Changes in major accounting data and financial indicators and the reasons**√ Applicable ☐ Not applicable

Item	Change (%)	Main Reason
Total profit (from the beginning of the year to the end of the reporting period)	N/A	Affected by intense low-price competition in the photovoltaic (PV) industry, the Company did not make a profit during the reporting period. However, by focusing on customer-oriented value creation, implementing various management innovations, and actively reducing costs and improving efficiency, it managed to significantly lower unit manufacturing costs, operating expenses, and losses from asset devaluation on key products. As a result, the net profit attributable to the parent company from January to September fell by approximately 48% compared to the same period last year. The same applies to changes in other indicators.
Net profit attributable to shareholders of the Company (during the reporting period)	N/A	
Net profit attributable to shareholders of the Company (from the beginning of the year to the end of the reporting period)	N/A	
Net profit attributable to shareholders of the Company before non-recurring gains or losses (from the beginning of the year to the end of the reporting period)	N/A	
Net cash flows from operating activities (from the beginning of the year to the end of the reporting period)	N/A	A decrease in raw material purchases, employee salary payments, and other outflows.
Basic earnings per share (RMB/share) (during the reporting period)	N/A	Mainly due to the reduction in net operating loss.
Basic earnings per share (RMB/share) (from the beginning of the year to the end of the reporting period)	N/A	
Diluted earnings per share (RMB/share) (during the reporting period)	N/A	
Diluted earnings per share (RMB/share) (from the beginning of the year to the end of the reporting period)	N/A	
Weighted average return on equity (%) (from the beginning of the year to the end of the reporting period)	Increase by 3.93 percentage points
